Dear Sir:

I have found your Research Aid: Handbook of Economic Statistics, August 1975, to be quite helpful in certain of our macro-analyses in the MTN. Unfortunately, the data is now quite out of date.

Could you please forward to me the most recent available copy of the Handbook? The following "mail pouch" address is recommended:

U.S. MTN Delegation
U.S. Mission GENEVA
Department of State
Washington, D.C. 20520

Thank you in advance for your prompt consideration of this request.

Sincerely yours,

Thomas F. St. Maxens
